STIPULATION TO CONTINUE CASE MANAGEMENT CONFERENCE;
[PROPOSED] ORDER
Case No. 14-cv-02735-TEH

STIPULATION & REQUEST TO CONTINUE CMC

The parties hereby stipulate and agree to the following: they have reached a settlement in principle, but the parties are engaged in calculations related to the final amount of settlement. The final settlement calculations have been delayed due to the holidays, but the parties estimate that they will be finished with such calculations within the next 30 days. As such, they respectfully request that the Case Management Conference presently scheduled for January 12, 2015 be continued to February 12, 2015. This will allow the parties sufficient time to complete their calculations and finalize the settlement. In the extremely unlikely event that the parties are unable to finalize the settlement, the Defendant has been granted an extension of time to respond to the complaint of five days beyond the date of the continued Case Management Conference.

IT IS SO STIPULATED.
